BABY CROCHET: 20 HAND-CROCHET DESIGNS FOR BABIES 0--24 MONTHS BY LOIS DAYKIN PDF

Crochet has gained popularity as more and more people are taking up this quick and easy alternative to knitting. Lois Daykin has created an ensemble of 20 wonderful designs for newborns and little toddlers in a fun-loving collection of garments and accessories, together with some cool ideas for decorating the nursery

You can chose from cute hat patterns and bootees, a scarf and a little wrap cardigan for infants to wear or pretty but practical bibs and bottle warmers. There are great ideas for the nursery, too, including strings of crochet hearts and a little rabbit diaper holder, along with some great toys, including a cat and a curly snake, and some big, soft crochet building blocks.

Simple, bright colors make crocheting for babies fun to do, and many of the projects can be done in a few hours, easy enough for even novices to make successfully.

The designs make great baby shower gifts, too. What better way to welcome a new arrival in the family than with a personalized hand-made gift?

Cute accessories, great gifts

By Jean Leinhauser

This book is packed with cute projects for small items -- from teddy bear slippers to toys to room accessories. Though it has one cute wrap sweater and some hats, it's basically features a set of big and colorful building blocks, bibs, pillow and blanket, bottle covers, a big stripy snake toy, and room decor such

as a string of hearts and a storage pot cover.

These would be great small projects for a baby shower. As in the author's book *Baby Knits*, all the yarns used are by the English company Rowan. These are available in the US, but may be hard to find. The US standards for yarn sizes aren't included, so knowing how to substitute may be difficult. You'll need to make gauge swatches to determine what yarn works best.

crochet

By Marsha J. Kerr

Was a gift for my sister who just started to crochet again.

She is going to be a Grandma so wonderful idea book for her.

Finally

By Mommy of Isak

I have a baby boy and have been trying to find baby pattern books that have a lot of patterns that would be appropriate for a boy and this book delivers. Most of the patterns in this book can be used for a boy or a girl and there are many unique toys. I'm very pleased with this book and cannot wait to start crocheting some lovely things for my tiny guy.
