This book was worse than USED!

By Debra Walls

I really am not happy with this rental. The binding is breaking, the pages are wrinkled as if they were wet once. The cover is in terrible shape and it is really in awful shape! This is NOT a regular issue with Amazon, it must have fallen through the cracks somehow. I LOVE Amazon and have been satisfied with books I have

gotten in the past.

It's okay

By Jay H

It is too much like a magazine vs. a textbook. The information is fine. It's for my college class. I chose a rating of 3 because it is not exceptional and I would prefer a regular book. Thank you.
