Ophthalmic learning

By Amazon Customer

Tried and true a handy book for learning and looking-up your ophthalmic terms on the job or when revising for exams. Would recommend to every new ophthalmic assistant and to us old ones as well:)

2 of 2 people found the following review helpful.

Eye Terminology

By ann smith

This book was a great asset to my new job as an OMA, I found it to be very useful in my training period, it helped me to understand different terminology that I was not use to hearing.

2 of 2 people found the following review helpful.

gem

By Terri M. Kersting

wonderful dictionary. Love the spiral binding, the ease of locating terminology, acronyms and abbreviations. Definitions will lead you to more information.. never ending learning.
