For me, hard to understand to the full

By Don Boyles

I read bad reviews sometimes due to bad grammar. Usually I can handle those. This book, however, suffers from really weird sentence structure. It literally seems like the book was translated from a different language. I found it very difficult to understand. Other reviewers didn't seem to have any trouble so maybe I'm just not that bright.0 of 0 people found the following review helpful.

Great For Beginners!

By Victoria

I always wanted to make the best out of my backyard, turn it into an organic garden, but I did not know where to start. I am glad that I found this book. It has simple and clear instructions, easy to understand. I have learned a lot from this book. I am happy that I am finally going to enjoy a healthy lifestyle.0 of 0 people found the following review helpful.
