The Step by Step Guide to Launch Your Own Online Authority Business Making as much as \$30,000 per month

In this book, writer and entrepreneur Chris Karlas reveals the blueprint anyone can follow to go from 0 to \$30,000 per month in profit with their own authority business.

The Key to this "Online Authority Business Blueprint" working is that it shows you how to choose the right niche, build an audience, and monetize that audience.

Unlike other books that only tell part of the story, this book explains once and for all why some people make a full time income online while others struggle to make any money at all.

Don't bother with some of these half-baked 30 page books that give common sense you've already seen a hundred times before. This is a 20,000+ word guide that covers topics nobody else talks about.

A few of the things revealed in this book:

- **How To Choose A Profitable Topic**
- **The ONE Main Mistake Everyone Makes**
- **How to Get Tons of FREE Traffic Without SEO!**
- **Access to My List of The Best Business Resources Online**
- **How to Build an Audience that Can't Wait to Buy From You**
- **Much, Much, More**

Yes, I laughed at the Five Star reviews.

By ReviewMaster

Only need read the description to discern that this is a mediocre attempt to sell a substandard work. If you want to be an AUTHORITY, you best be able to use correct grammar and proofread your little book report gone wild.

19 of 20 people found the following review helpful.

A Reasonable Book, Let Down Badly By the Lack of Proof Reading and Copy Editing

By AnneP

The actual content of this book is moderately good. Very basic. Nothing earth shattering, although it is definitely doable advice for someone new to the concept of making a living via the internet. What lets the book down very badly is the lack of professional proof reading and copy editing. There are numerous errors in the copy that could have been picked up and corrected by a halfway decent editor.

This flies in the face of much of the advice Chris Karlas repeats constantly: always provide your audience with the highest possible content.

Also, throughout the book, the author repeatedly directs readers to his website to see and use "links" to products and resources he recommends. These are all Affiliate Links which pay him a percentage for every purchase he creates. It did seem that the entire book is nothing more than a funnel, filtering gullible readers to his affiliate products to garner sales. A reasonable concept I suppose, considering the entire subject of the book to aimed at explaining how to make money online.
