INDIGO BY F. D. SOUL PDF

F. D. Soul's first collection of poetry and prose. Written for those who have ever wondered what a heart looks like outside of the human body. This book is a breath. it's that plunge into fear as your heart stops as if perhaps it won't remember how to catch the next beat (but always does). and it's wincing. biting the pillow. laughing even though you can hear your ribs cracking. this book is walking through a Weeping Willow with your fingers outstretched. lips brushed against a forehead. sticking your head out the window just to feel the day in your hair. tears drying against the soft skin beneath your chin. this book is how I save myself.

LOVE

By Amazon Customer

I have been waiting for this book to be released for some time and I absolutely loved it!!! The voice that F.D. Soul adapts into her prose is one that is unique and so beautiful. I would definitely recommend this book to anyone! Especially if you possess a love for poetry, or if you're simply searching for a relatable stance on life and what you go through in its process. Definitely a great first book. I can't wait to see what more she comes out with.

Recommended!

By Gabriel C

From my wife: I bought this book because I follow the author on Instagram and enjoy her posts. The book did not disappoint. I appreciate how simple it is and how you can see it was written from the heart. She did not try to make it "relatable" to her audience...there are things I did not relate with...but I still appreciated her genuine writing style and it was as if she had poured herself into every single line of that book. The book also offered me inspiration for my own writing. I would recommend it because of the content and also because of how approachable and sincere she is as a human being. I hope she continues writing and pursuing her dreams!

Her soul is in these pages and you can feel the love, loss

By Amanda Fecteau

I think that all of us at some point in our lives are looking for a sign. For me, I needed to know that the hurt I was feeling was something that could be conquered. Every poem in Indigo spoke to me on some level. Whether I connected to it through shared pain, or the hope that there would be a day when the hurt would be gone - f.d. soul was able to put those feelings that we all feel at some time in our lives into words. Her soul is in these pages and you can feel the love, loss, and hope as you travel through the book.

"You will break
more times than you
can count,
but you will heal

beautifully
beautifully
beautifully."

If that ain't hope, I'm not sure what it.

Thanks for your words f.d.soul.
