We got the book and CD and really enjoyed it. Both my son and myself enjoyed it

By Amy Fields

I got this book because my son wanted to learn Latin and I didn't want to buy a language course until we looked at some things. We got the book and CD and really enjoyed it. Both my son and myself enjoyed it! We picked up some new words quickly and decided to go ahead and learn Latin. We listen to the CD and look at the book often. I would buy this again!

Beautiful CD/book set

By Amazon Customer

The kids recognize some of the songs by their cadence or music, and the others are fun to guess while driving in the car. It's also a great way to introduce them to Latin pronunciation. The Latin poem is on one side, English on the other side.
