These books are a gift from God

By RBoley

These book are the ultimate food for the soul. If you have a mind of your own and enough confidence in yourself to seek God on your own without the need to look to others for direction these books will feel like home to you. They will resonate on your deepest level. Talk about the most beautiful communion with God! Reading these books have become one of my most favorite past times.

Changed MY Life!

By Jentyl

These books changed my life! They changed how I thought about God. Questions that I asked all my life were answered with such clarity! Like someone had written down exactly has I had always believed, but could never articulate it myself. I would highly recommend these books to all who are seeking answers about God, or just about how to live the way God intends us to live. I LOVE THEM!

Love this author's books

By Thomas H. Currier

The type is a bit difficult for me to read, but I actually bought these because they were a set and they are for someone else to read since I have the ebook editions of these books. Neale Donald Walsch is among my favorite metaphysical authors.
