## Review

It is, hands down, the best book I have ever read on the art of acting...the writing is direct, smart, brief, and practical. (Kelly Younger Kellyyounger.net)

I think this is the best book on acting I've ever read. (Kirk Douglas)

Ron's advice and tools on acting are incredibly astute, thought provoking, refreshing, and inspiring. I wish I'd had this book in my back pocket before many an audition. (Neve Campbell, star of The Company)

Notes to an Actor is inspiring, transforming and absolutely fun. This brilliant book will be a cherished favorite of actors and artists until the last star falls from the sky. (Beth Henley, Pulitzer Prize-winning playwright)

Finally, the definitive book on acting. Ron Marasco will make you a better actor! (Patricia Clarkson, two-time Emmy Award Winner and Academy Award Nominee)

Notes to an Actor is a conversation with an actor about his art, filled with insight and great stories. It is the best summary of notes for someone looking to be a truly 'complete' actor. (Colin Hanks, star of Orange County and King Kong)

Hands down, the best book I have ever read on the art of acting and actually gave me a lot to think about as a playwright. The writing is direct, smart, brief, and practical. Even better, there are no long stories about the author's acting career or personal anecdotes that read like an autobiography rather than a guidebook. It's organized by topics actors (and writers) really want to understand. Can't recommend it highly enough. (Kelly Younger, award-winning playwright, author of I Think You Think I Love You, and member of the Ensemble Studio Theatre and Dramatists)

This is a helpful book for both actors and directors at every skill level. It tells them where to go and, most importantly, how to get there. (Bernard Sahlins, author of Days and Nights at The Second City)

Ron Marasco is everything a young actor could want in a coach, a director, or a guru. His advice is practical and broad-ranging, his experience is extensive, and his stories about the business are often very funny. Notes

to an Actor is a smart, useful, and even wise guide for living the actor's life. (Curt Columbus, Artistic director of the Trinity Repertory Company)

Truly unique among acting resources...an insightful, invaluable, and definitive work....Essential. (CHOICE)

There certainly is no shortage of books on acting, but Ron Marasco's Notes to an Actor takes a different approach than most. Notes to an Actor reads like a conversation between a director and actor, making it a more enjoyable read than most acting books. Highly recommended. (Stage-Direction.Com)

The most practical book about acting that I have ever read....while it looks to be very useful to an actor, it is also fascinating for anyone who attends the theater...a great, simple read. (Maria Knapp About.Com)

Useful both to those seeking to further their development as actors and to those for whom acting has long been a profession, this is an insightful, invaluable, and definitive work. (CHOICE)

A witty, easy-to-read compilation of all the essential acting tips and tools that every actor should carry in his or her back pocket. (Instantcast Blog)

"Do you have any notes for me?" Actors always ask for notes on their performance, and they will take them from just about anyone. Ron Marasco's Notes to an Actor grew out of the actor's profession. In his years as an actor, scholar, and teacher of acting, Mr. Marasco found that most acting books were either outdated classics that were rarely read, or quasi-textbooks that actors only "skimmed." So he developed Notes to an Actor, a compact, user-friendly book geared specifically to the way actors work. The book is based on the innovative idea that notes, given one on one, are the essential tool of creative learning.

One of a Kind

By Erin Castellanos

There is so much to say about *Notes to an Actor*. I have had the absolute pleasure of being one of Ron's students and can say that of the dozens of teachers and professors that I have had and come across, he has been by far the best and most influential. He inspires his students to truly reach for that level of brilliance that is capable of being reached and to live up to one's own talents. I read this book cover to cover and can say it is a very real, tangible, direct approach to the art of acting. The problem with so many acting books is they are so ridiculous in their lofty ideals of what acting is or should be- but that is all they are- ideals. Ron goes for something much more than this. As his friend and colleague Kirk Douglas said- any actor who reads this book will become better because of it. For all actors everywhere- buy this book. read this book. if you have any care or passion for your art, you must.

3 of 3 people found the following review helpful.

extraordinary, enlightening, engaging

By Christopher Will

The simple honesty of this book is what surprised me. And yet Marasco manages to get to the finest details of what makes actors and acting great. There is humor and a matter-of-factness in his writing that makes this book accessible, easy to read, and fascinating on every page. You could just open up and start reading anywhere. (I actually read it all the way through.) But the more time I spend with this book, the more I think it is genius -- not because it is clever, just the opposite. It is truthful to the bone, de-mystifying, and very, very human. A part of me wants to keep it a secret, but I am happy to recommend *Notes to an Actor*. Highly recommend. To anyone.

Tips from a director's viewpoint

By Midwest Book Review

**NOTES TO AN ACTOR: PRACTICAL ADVICE SHAPED TO THE WAY ACTORS WORK** should be in the collections of any library catering to drama students, whether at the high school to college levels or be it a general-interest lending library. It comes from the author's own experience in the profession as both an actor and as a director and acting teacher, and provides a more practical, user-friendly book providing insights on exactly how actors work. Tips from a director's viewpoint, rather than the usual acting text, are particularly useful, gleaned from everyday life.
