Loved it!

By Bella Swann Erotica

Smoking hot paranormal/ supernatural erotica. I love werewolves and so does our eager, young heroine who becomes their sexual plaything. Not for those who like their sex vanilla - this one has got all the flavours.

Serving your erotic fantasies indeed

By Xavier Neal

Great read if....you enjoy short stories, highly erotic scenes, multiple partners in sex scenes, werewolves, paranormal stories, extreme sexual adventure, and a satisfying ending! (CAUTION: Not for everyone! You really have to be open minded and be willing to explore unconventional sex)
