God changed my life through this book.

By A Customer

I must say that besides the Bible, this has got to be the most powerful book I have ever read. I could sense the heavy anointing on the book by page 9 as I sat and wept. I knew God had nailed me. When He first told me I had strongholds, I didn't really understand what a stronghold was. I thought that it was some evil power that lurked over a city but God showed me differently through this book. He taught me all about mind sets and the scripture really came to life for me, "As a man thinketh in his heart, so is he." Plain and simple. I would highly recommend this book for anyone who is seriously pursuing a relationship with God. This book demands change in your life and is not for the carnal christian. Thank you for reading my review and may God bless you as He has me. In Christ!

A must read book for every prayer warrior

By A Customer

This book has literally changed my prayer life and has changed the people I've been praying for. I have

always known about binding the enemy but never realized we are to bind ourself to God's will, his mind, the blood of Jesus, the power of the cross, and the path of righteousness. I now realize we can pray to loose our wrong beliefs and thinking and ask God to remove the strongholds in our life that have caused them. This book will give you the format to activate this in your life.

A greater depth of understanding - a greater freedom!

By Peggy (remcgin@roadrunner.com)

Through the experiences and knowledge given to Rev. Savard, this book can produce a freedom and liberty within each of us to live victorious in Jesus Christ! Through God's wisdom and the principles within this book, I came to realize that we can receive God's healing of past hurts and offenses and yet not have complete freedom - for the hidden strongholds remain erected in our lives. Gaining the knowledge to either pray them down or scale their walls comes from understanding how and why they became a part of our spiritual life - "Shattering Your Strongholds" does just that! Experiencing this book has been life changing for me - I have experienced a renewal and a revival - once again I can walk in the fullness of God's authority because the enemy has been exposed!
