1 of 1 people found the following review helpful.

Great coloring book!

By Sas

This coloring book is pretty great. The paper isn't super thin. There's two of each design, one with black lines and one with grey. There's a color test page in the front also. Love it and for the price of \$3.99 its perfect.

0 of 0 people found the following review helpful.

Five Stars

By Kindle Customer

just too funny, even has some words in there i'd never heard before
