Great book and very useful

By Kama is my dog.

I have used this book for 3 of my classes. It is useful and easy to follow and understand. It is now being used by another student.0 of 0 people found the following review helpful.

Five Stars

By Adolph G.

Very good study book--explains the operation of the lathe in detail but attention to detail is left to the operator.0 of 0 people found the following review helpful.

Great Tool Room Read

By J.J.

This books is a good reference. Definitely staying on my book shelf!See all 12 customer reviews...
