Review

"The Last Keeper's Daughter is a fresh take on vampires and is complex without being confusing. It's an engrossing and easy read for any romance, mystery, or supernatural fan." City Book Review (San Francisco Book Review)

"Rebecca Trogner's contemporary fantasy is brilliant! Her prose is lyrical and transports the reader to the woods of the Blue Ridge Mountains where Lily lives. Krieger is the consummate vampire..." Jack Magnus for Readers' Favorite

"I find it hard to believe that this is the author's first novel. It is definitely a winner." -- Paranormal Romance Guild

About the Author

Rebecca Trogner lives in the Shenandoah Valley of Virginia, and frequently crosses the Blue Ridge Mountains that were the inspiration for Krieger's home. She always dreamed of being a writer, but got sidetracked by the day-to-day adventures of life. With the encouragement of her family, she has finished her first novel and is currently writing the next book in The Last Keeper's Daughter series. Rebecca lives with ever patient husband and stepson, and a rescue dog named Giblet. To find out more about the author visit rebeccatrogner.com.

THE LAST KEEPER'S DAUGHTER BY REBECCA TROGNER PDF

Lily Ayres is the privileged daughter of an old moneyed family. She is young, beautiful, and a talented horsewoman. All of which are enviably qualities, but few know that beneath this thin veneer of societal perfection lies a deeply troubled young woman. For Lily rarely speaks and is incapable of normal, human interaction. Unable to understand why she is this way, she further retreats inside herself, until memories and suppressed emotions begin to bubble to the surface. Murder, revelations of her family's hidden purpose and dark secrets are revealed as she is thrust into the supernatural world of Krieger Barnes, Vampire King of North America.

OMG! One of the best Debut Novel I read, a must!

By Proserpine

OMG, I don't know why, but this year is filled with fantastic book! So you see me coming with this comment: The Last Keeper's Daughter was phenomenal! Well some of you might say that I am exaggerating, but if you are fans of paranormal romance, this book is a must!

I'm a cover whore and I must admit that I almost refuse the review request for this book, because I wasn't attracted to the cover. Then I read the blurb and I knew immediately that there was something new to discover!

I haven't been disappointed! OMG, I so loved this story, it contained almost every elements to make me drool, fantasize and the suspense surrounding the origins of Lily was almost unbearable, but ideal to keep me hooked!

Mainly, Lily is the only daughter of the last Keeper. After the death of his father, Lily learns that entrusted to his future, his protection, his life the king of vampires, Krieger. However, Lily is not aware of the supernatural world that surrounds it. Lily is a rather shy woman and erased. She does not like attention, but the fact of becoming the new king of the vampires protected attracts many curious and dangerous situations.

Krieger is the king vampire, he is rich, power and authority is incredible. Krieger seems attracted by Lily at first; he will discover that it is much more than just human.

Several aspects to the book were very interesting and creative:

The disappearance of Walter, Lily's father,
The true nature of the death of Lily's mother,
Protection and origins of Lily
Discovery of the paranormal world: Vampires, Dragons, Vantors are vampires/werewolves!
All these beautiful males alpha (they are everywhere!)

I don't know how to explain it, but I was eager and excited to learn more about Lily's past, but also her relationship with Krieger.

The reading was easy, fluid, all had a sense and I was immediately attracted to this beautiful and mysterious Lily. The author, Rebecca Trogner knows how to keep the reader in suspense and the course of the story is fast but well established. I think only one thing: Read the sequel as soon as possible! Can I??? Pretty please!?!?!? :D

Page Turner: Yes!

Series: I hope so!!!!

Stand Alone: Yes, but you will surely want to read the next book, if there's one!

Hotness: Krieger, since I'm a vampire freak, but I had to also mention Liam, a Vantor and Lucien, a Slayer!

Proserpine Recommendation: This one is a must try this year! If you love PNR, but most of all, supernatural world and creatures, you will be satisfied with this one!

BUY!!!

Best Vampire story ever

By John Young

I wasn't sure what to expect when I first read this book as I've been disappointed by the 'vampire' books that have come out since Anne Rice's "Interview with a Vampire." So reading "The Last Keeper's Daughter" was

literally truly an unexpected pleasure and delight. I won't go into a plot synopsis since other reviewers have, but I will say that Ms. Trogner is a wonderful writer. Each scene and setting is written in an easy, yet concise, style. Her characters stay true to themselves and each voice is clear and distinct. Lily, the main character, is an absolute jewel. Immediately upon meeting her you want to get to the heart of who she is and you root for her throughout the book. I think I can safely promise that anyone who reads "The Last Keepers Daughter," will absolutely find it to be one of their favorite novels.

Urban Fantasy/Mystery cross over shows a lot of potential.

By Musings & Ramblings

I am always up for a good book that crosses genres and is hard to define. This book looked like it would be a good fit for me, a Paranormal Romance that is also a Mystery. After reading this book, I am not sure that I agree with the Romance portion. It felt more Urban Fantasy/Mystery to me. There is definite paranormal aspects, and there is some romantic aspects, but there was no HEA at the end of this story. And an Happily Ever After is one of the primary criteria for me for Paranormal Romance. Let's just say that if you like books that can't be easily pigeon holed, than this is a book for you.

The story starts with a Prologue and some back story on Walter Ayers. This is important because it will be the only time that we will be able to actually interact with Walter. He is an old man, father to Lily and the keeper for the North American Vampire King Krieger. He basically makes a deal with the King for Krieger to take care of Lily.

Chapter one puts us into Lily's head. From the beginning you aren't sure whether she has some form of autism or some similar condition. She doesn't speak and looks at the world in an odd and unique way. Lily has no idea about the Others. But when she falls and is seriously injured at a charity event held on the grounds of her family's estate, that she learns the truth and finally begins to understand that she is stronger than she knows.

This is also the story of Detective Dale Hunter. He is drawn into the world of the others while on an investigation into the brutal murder of two men. Detective Hunter is recruited by the Elder of the Others to investigate the murders and figure out what is going on. His investigation leads him from Europe to North America and crosses with the mystery that is Lily and her Otherness.

This was a good book. I am thrilled to see that the author is currently working on a sequel. The main mystery in this book was solved. Unfortunately it left me with even more questions that needed answers. There were times that I was a little confused, especially while in Lily's head. But I think those were deliberate, done to help illustrate how Lily is growing and changing. I am going to go with 3 stars on Goodreads. This series has a lot of potential and I want to see where the author takes it.
