## About the Author

Hayao Miyazaki is one of Japan's most beloved animation directors. In 2005 he was awarded the Venice International Film Festival's Golden Lion Award for Lifetime Achievement, and his Studio Ghibli received the festival's Osella Award for overall achievement in 2004. Miyazaki's films include Spirited Away, winner of the 2002 Academy Award(A)(R) for Best Animated Feature Film, as well as Castle in the Sky, My Neighbor Totoro, Kiki's Delivery Service, Princess Mononoke, Howl's Moving Castle, and Ponyo, all of which have received great acclaim in the U.S. Miyazaki's other achievements include the highly regarded manga series NausicaA of the Valley of the Wind and Starting Point: 1979-1996, a collection of essays, interviews, and memoirs that chronicle his early career and the development of his theories of animation. Both are published in English by VIZ Media. "

Based on the beloved classic *The Borrowers* by Mary Norton. The picture book based on the movie!

Reads L to R (Western style).

Arrietty isn't your ordinary fourteen-year-old girl - she's small enough to make her home under the floorboards of a typical house, "borrowing" what she and her family need from the giants in whose shadows they live. A young boy named Sho befriends Arrietty, but when adults discover the Borrowers, Arrietty and Sho must work together to save her family. Based on the classic novel by Mary Norton, *Arrietty* is a delight for all ages.

A wonderful companion book to *The Secret World of Arietty* (the film)

By Z Hayes

My seven-year-old and I are great fans of Studio Ghibli productions and watched *The Secret World of Arietty* last weekend. In the tradition of Hayao Miyazaki's animated films, *Arietty* (screenplay by Hayao Miyazaki and Keiko Niwa, directed by Hiromasa Yonebayashi) is full of wonder and vivid, detailed hand-

drawn animation.

Inspired by Mary Norton's *The Borrowers*, *The Secret World of Arrietty* centers on a family of little people called The Borrowers, who live in a quiet old house set amidst nature. The family of little people comprise father Pod, over-anxious mother Homily, and teen daughter Arrietty who is a budding explorer and yearns for adventure.

The borrowers' quiet existence is brought to an end with the arrival of twelve-year-old Shawn, a sickly young boy who has been sent by his parents to his aunt's house in the country, while he awaits to undergo an operation. Shawn has heard stories of the little people from his mother, and when he spies Arrietty flitting among the flowers one day, it changes the course of both their lives. Can a 'bean' (human being) be friends with a borrower? Or are their worlds incompatible?

This beautifully-illustrated picture book/ graphic novel contains lots of color illustrations as seen in the movie, with text to accompany the illustrations. There is enough text here to convey the essence of the story, and my seven-year-old was completely absorbed in the book, reading independently and delighting in the illustrations. I'd recommend this to fans of the movie, and for anyone who appreciates a well-illustrated story.

My daughter and I both liked it

By Matthew Seitz

My 5-year-old daughter and I really enjoyed reading this together. The art is beautiful and we root for the characters. She had previously enjoyed other Studio Ghibli picture books, *My Neighbor Totoro Picture Book (The Art of My Neighbor Totoro)* and *Kiki's Delivery Service Picture Book [ KIKI'S DELIVERY SERVICE PICTURE BOOK ]* by Miyazaki, Hayao (Author) Jun-01-06[ Hardcover ]

*The Secret World of Arrietty Picture Book*

By Jean M Jason

I watched the movie with my two grandchildren, Nicholas 9 and Victoria 5. This was the first time ever that Victoria sat still and was totally captivated by Arrietty and the story. I bought the book for her for Christmas because she will be delighted to have more of Arrietty. The book is perfectly beautiful and follows the movie exactly. I highly recommend it.
