You may not have to be doubt regarding this *Unrepentant Sinner: The Autobiography Of Col. Charles Askins By Charles Askins* It is not difficult way to obtain this book *Unrepentant Sinner: The Autobiography Of Col. Charles Askins By Charles Askins* You could just go to the established with the link that we offer. Below, you can acquire guide *Unrepentant Sinner: The Autobiography Of Col. Charles Askins By Charles Askins* by on-line. By downloading *Unrepentant Sinner: The Autobiography Of Col. Charles Askins By Charles Askins*, you can discover the soft documents of this book. This is the local time for you to start reading. Even this is not printed publication *Unrepentant Sinner: The Autobiography Of Col. Charles Askins By Charles Askins*; it will precisely give even more perks. Why? You could not bring the printed book [Unrepentant Sinner: The Autobiography Of Col. Charles Askins By Charles Askins](#) or only pile the book in your property or the workplace.

UNREPENTANT SINNER: THE AUTOBIOGRAPHY OF COL. CHARLES ASKINS BY CHARLES ASKINS PDF

Colonel Askins is an adventurer. Whether it be fighting his way out of an ambush, hunting tiger in Asia or sniping along the Rhine, Askins has done it with gusto. Here he recounts his early days as a forest ranger, his decade of slinging lead on the Mexican border, his astounding success as a competitive pistol shot, his combat participation in World War II, his adventures as a paratrooper in Vietnam and his career as one of the world's leading big-game hunters.

Perfectly Titled

By The Guy Who Reads

Askins isn't a great storyteller nonetheless, just the bare bones story of his life makes fascinating reading! He was truly a unique character. Some might be shocked at the insouciance with which he took human lives during both his military and law-enforcement career. Nowadays many of the things he did would likely land him in jail, yet I can't help but wonder if we are really any better off now with all the less-than-lethal procedures, rules of engagement etc. that cops and our military have to resort to to spare the lives of often truly despicable individuals.

One thing that was odd and a bit distracting were the many misprints. For example, any time the letters c & t came up together a letter D would appear instead! Clearly a technical glitch & not Askins, fault. Strange.

All in all, I consider Unrepentant Sinner well worth reading.

Good story - sloppy e-book

By DrDWilliams

Charles Askins memoirs are a fun and interesting read - provided you can get past the sloppy production values of Palladin Press. It appears that they, or someone, scanned the book and imported it directly into e-book format without so much as reading through it to replace the scanning errors. This makes it terribly annoying to constantly translate erroneous words properly e.g. from "hid" to "hill." Also, the book ends

rather abruptly -- leaving one to wonder if that's just where Col. Askins left off or if the folks who converted it to an ebook just left out a portion at the end.

If you enjoy military and hunting memoirs, this is a good story and you'll enjoy it. Askins and his father were both well known writers for most of the major sporting magazines over the course of the 20th century.

I'd recommend that the editors of Palladin fix the errors in this edition which would generate more like a 4 star rating. But Askins was touchy about editors - terrifically proud of his writing as it came from the pen. There are redundant passages in several places that a good editor would have cleaned up. But perhaps (s)he'd have been shot trying. You'll understand that after reading the last chapter contained in this edition.

The Last Gunfighter

By Albert Rush

It could be said that Charles Askins was the last real "gunfighter" or in the very least one of the last if grouped with friends like Bill Jordan and Skeeter Skelton. His book, "Unrepentant Sinner" is remarkable and I have rated it five stars not for its literary quality, but for the simple fact that its a rare thing to see someone open up so honestly on paper about themselves. Critics of Colonel Askins book are correct, it is "self-serving" and often bigoted. Askins who has now been deceased since the 1990s was very much a product of the early 1900s, even a throw back to a time even earlier than that. His career as a professional gun handler, both in Law Enforcement and in the US Army spans the end of the "Wild West" to Vietnam, during which time he worked for the USFS, fought Prohibition era smugglers with the Border Patrol, won dozens of professional shooting matches, served in North Africa, Sicily and in the ETO during WWII, became a Paratrooper and later served in a number of post-war occupations with the Army in Spain and Vietnam. Throughout these chapters of his life he was also considered one of the country's foremost "gun-writers" and wrote numerous books and articles on guns and shooting.

But he was also controversial, and will probably remain so. In addition to racially charged comments which are sure to offend many modern readers, Askins also appears to have bent the rules (and some laws) in more than one instance. Several of his Border Patrol gunfights would probably make international news today and that's probably putting it mildly. He also seems to have enjoyed pushing the limits during his competitive shooting career. Its worth noting that his resignation from the BP resulted from his use of unconventional pistol during one of his later matches.

Nevertheless the story of Askins' life is fascinating. Proceed with caution though, if anything the book suffers from poor editing and his overt bigotry may get old quick for many readers.
