The Truth will set you free!

By Susan Gregory

This book opened my eyes to truths in the Word of God that I was totally missing. Andrew's teachings (all from the Scriptures) changed my life. My prayer life is changes, also. And now that I understand the kingdom principles about what Christ gained for us on the cross - I am able to pray more effectively! God answers prayers when we pray in the right way. The Word says, "You have not because you pray amiss." This book changed that for me! Great read and a must for every Christian!

Love this book

By Chesh

i thoroughly enjoyed this book and believe Andrew Wommack is a God inspired expositor of the word...all who have given him adverse reviews on his other writings... believe must be misunderstanding him.. I mtch what he says up against scripture and have yet to find anything he misses it on....if you compare it to individual denominational doctrine you may take issue...but not if you read scripture for how its written...thank you Mr Wommack

It's so clear

By Wandering Paladin

Andrew's teachings are so clear that I was thinking "Why didn't I see that?" Sometimes you need a little help to take the blinders off. Now though I know I don't need to call every prayer line asking them to pray for me because I've already got it.
